

*It's Knock Down Family Fun*

## FUNDRAISING OPPORTUNITIES AT PIN STRIKES

We offer several different ways for your group or organization to raise money at Pin Strikes. We have a State-Of-The-Art Entertainment facility to meet all of your group's needs. If you want to raise the most money possible, select an off-peak time so we can reduce the price as much as possible. Off peak times are weekday mornings and afternoons and some weekday evenings. Here are some examples:

### **GROUP OUTING**

You select a date and time, then pre-sell tickets for a group package. A sample of a group package is 1 game of bowling, shoe rental, 1 round each of laser tag and bumper cars, and pizza and soft drinks.

### **BOWL A THON**

Have your members collect sponsors and pledges from their family, friends, and neighbors. They can collect a flat amount or get pledges per pin knocked down.

### **RENT THE CENTER**

This option is for groups with the ability to draw corporate sponsorship. Your group rents the entire center for 3 hours, and then sells each lane to a corporate group or another entity. You charge each group a flat rate for the lane rental. (Usually \$200 or \$300) Your group will keep all monies above the rate that Pin Strikes charges. You may also have a silent auction of prizes donating during your event.
